

How to change the Office Language from Japanese to English

MS Officeの言語 変更手順

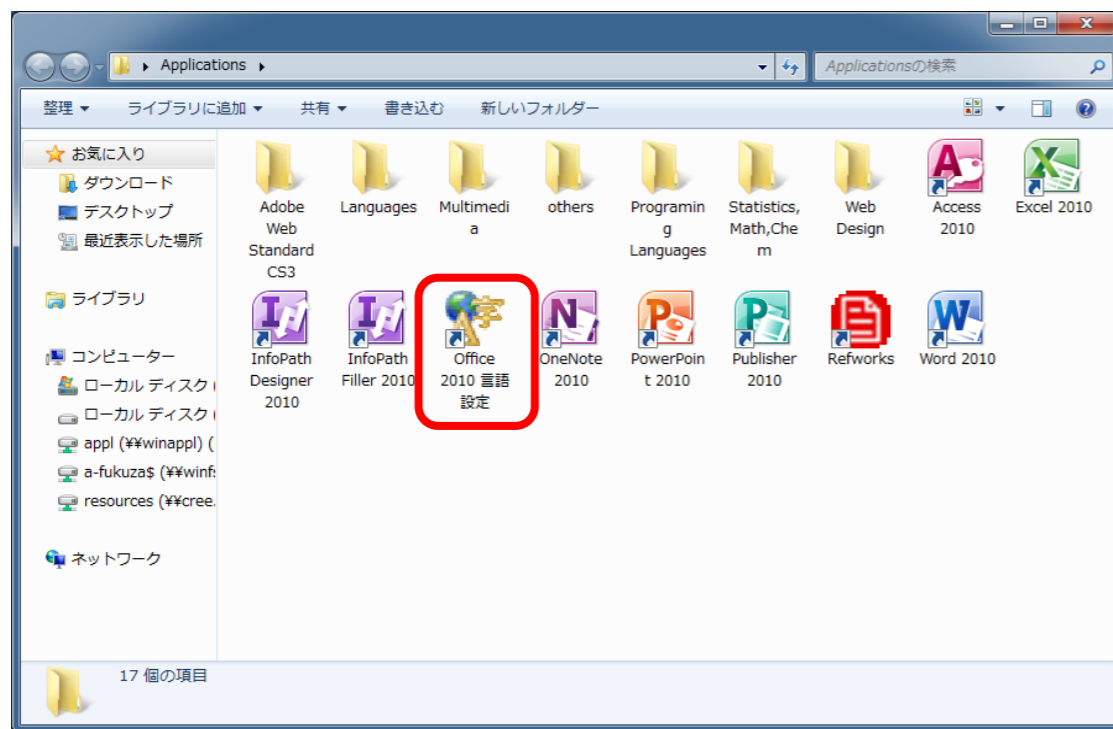

1. Open "Applications".

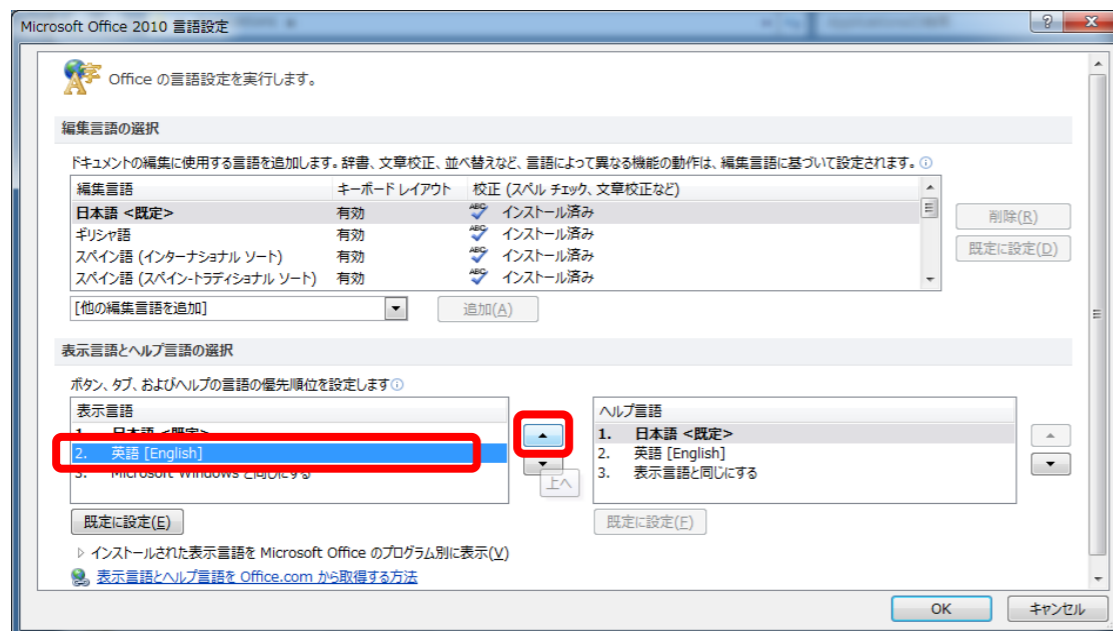

- * You can only change language of Microsoft Office software.
- * You cannot change system language.

※Officeの言語を英語から日本語へ変更する場合は、手順3、4で「表示言語」と「ヘルプ言語」からそれぞれ日本語を選択し、一番上にもってきてください。

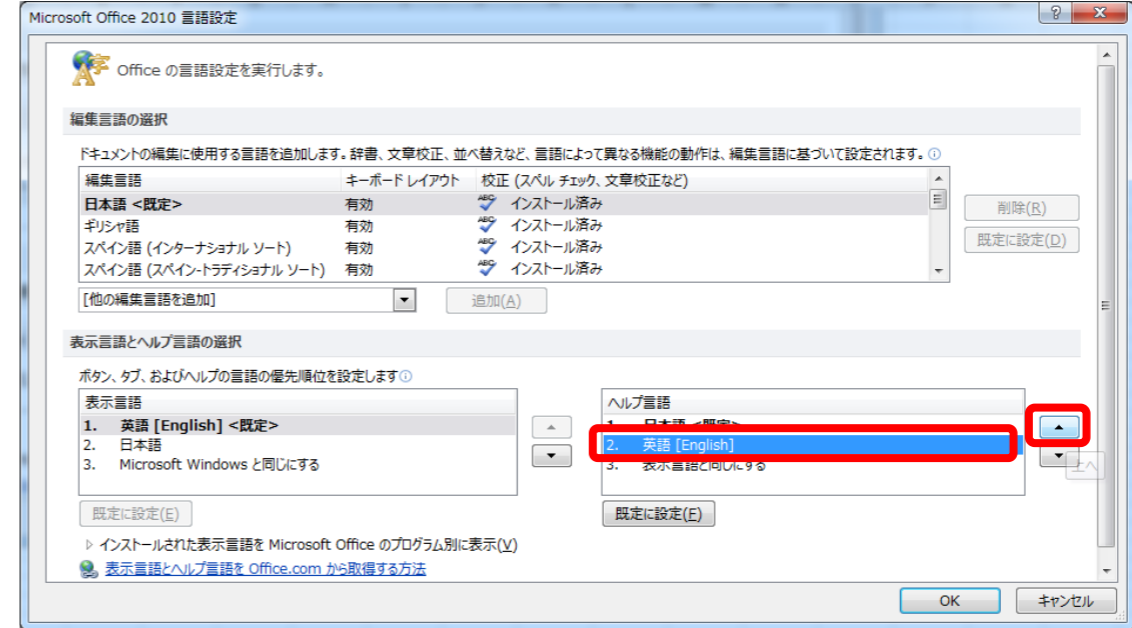

2. Open "Office 2010 言語設定".

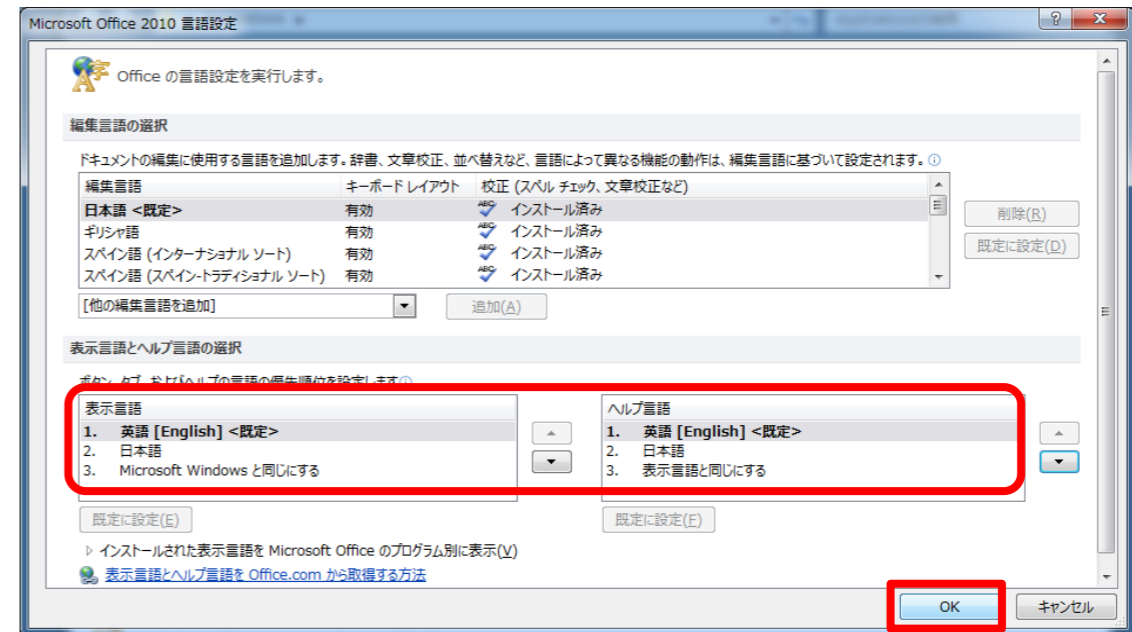

3. Select "2. 英語[English]" and bring it to the top.

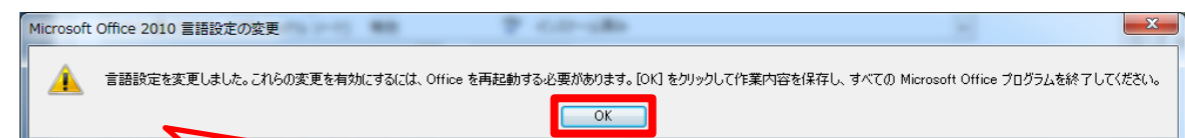

4. Select "2. 英語[English]", and bring it to the top.

5. Click OK.

6. Click OK.

You have changed your language preferences. For these changes to take effect, you must restart Office. Click OK, save your work, and then close all Microsoft Office
