# Moodle Manual (for students)

## 3-2. Submit Turnitin (plagiarism checked) Assignments

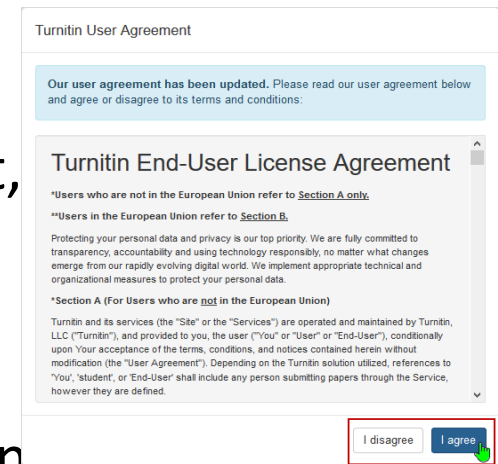

# ● Submitting Turnitin Assignments

**Turnitin** is a tool for checking plagiarism of submitted reports. In addition to web pages and documents on the Internet, other reports submitted for the same Moodle assignments are also compared to determine how much text has been copied.

When a teacher specifies Turnitin check in an assignment, the submitted assignment is automatically checked for plagiarism so that the teacher can see the result.

# ● Precautions when Submitting Turnitin Assignments

- Please create the file to be submitted in a specified format such as Word, Excel, Text, and PDF. If you submit a file other than the specified one, it will not be checked.
- The first time to submit a Turnitin assignment, you will be asked to consent to the license.  
**Be sure to click [I agree].**
- Please note that if you upload a file more than once to the same assignment in the same course,  
**the analysis will not start 24 hours after the second upload.**

The screenshot shows a 'Turnitin User Agreement' dialog box. At the top, a blue banner states: 'Our user agreement has been updated. Please read our user agreement below and agree or disagree to its terms and conditions:'. Below this is the title 'Turnitin End-User License Agreement'. The main text includes: '\*Users who are not in the European Union refer to [Section A only](#).', '\*\*Users in the European Union refer to [Section B](#).', and 'Protecting your personal data and privacy is our top priority. We are fully committed to transparency, accountability and using technology responsibly, no matter what changes emerge from our rapidly evolving digital world. We implement appropriate technical and organizational measures to protect your personal data.' There are also sections for '\*Section A (For Users who are not in the European Union)' and a detailed paragraph about Turnitin's services and user consent. At the bottom right, there are two buttons: 'I disagree' and 'I agree', with the 'I agree' button highlighted in blue and having a green checkmark icon.
