What You Can Do with the "My Sophia" App

Schedule

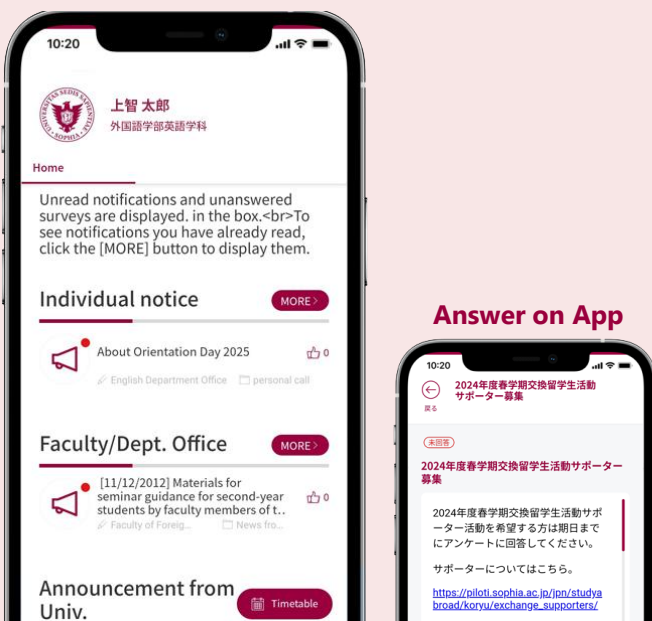

It is linked to Loyola, and the class schedules for the week are displayed.
It will be marked with a badge when a class is canceled, made up, or changed classrooms.

Announcements

Various notices from the university will be displayed, and you can check the details by tapping on them.
Notices are delivered via push notification!
No more worries about missing important information.

Questionnaire

Students will be able to respond to questionnaires from the university and apply for various events.
*University class surveys will continue to be conducted on Loyola.

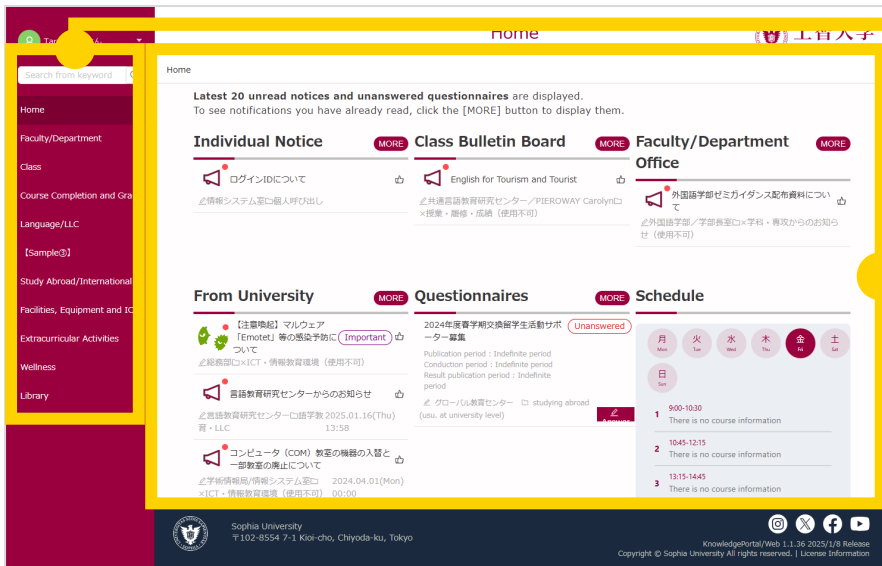

Campus Map

The campus map provides information about campus facilities, such as AED locations and cafeterias.
Maps can also be checked for each floor of buildings.

Also Available on Web Browsers

Screen Image on Web Browser

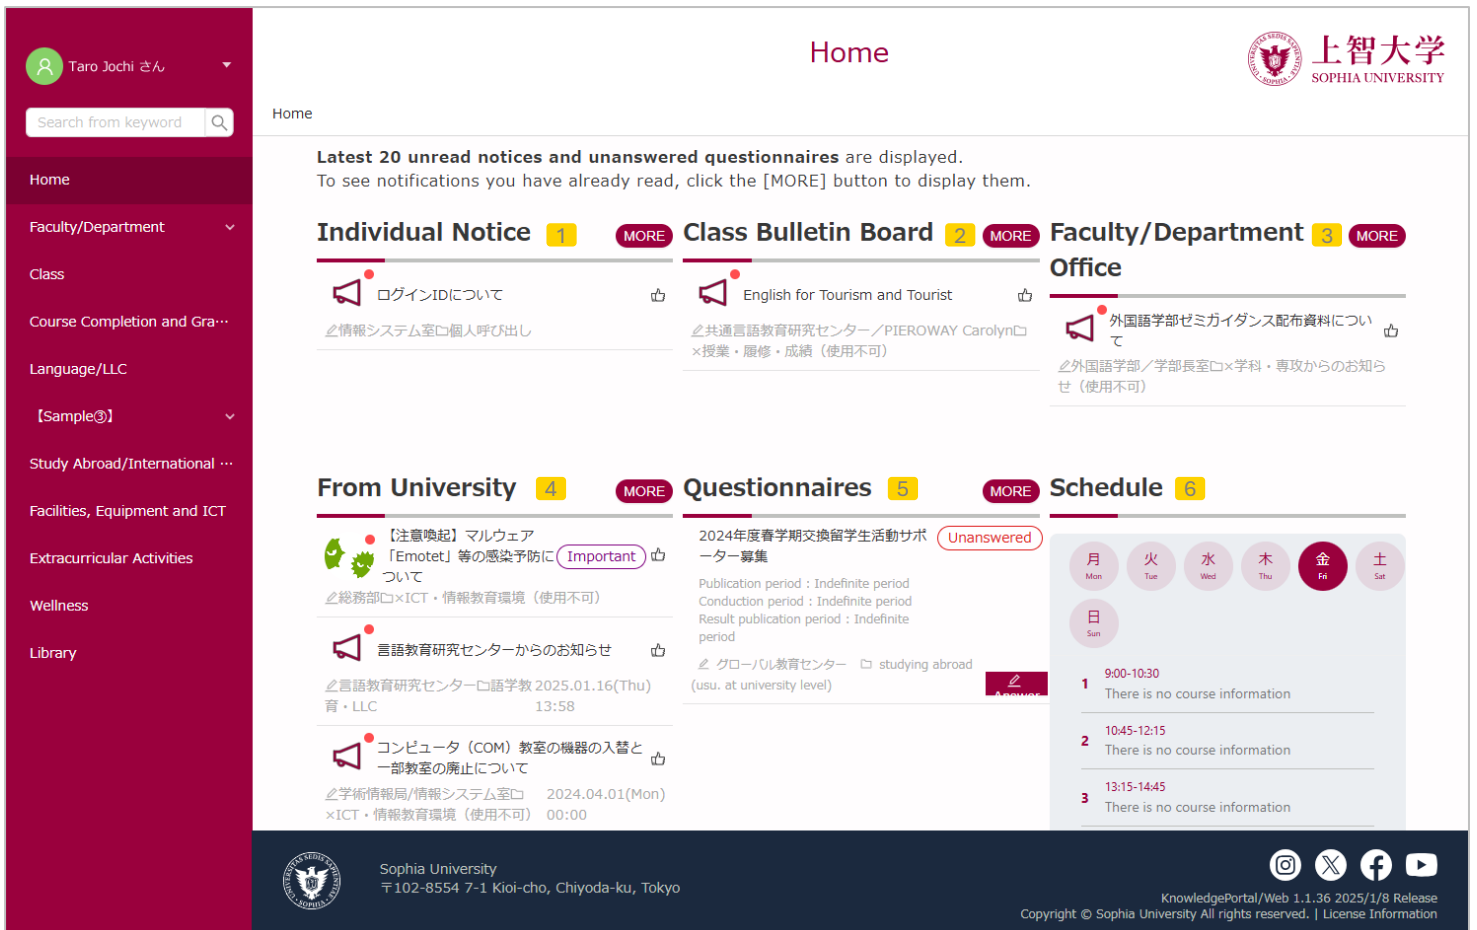

Menu

Menu for accessing each page within My Sophia. Each department and faculty of the university has its own page, which provides useful information for students and accepts various applications.
