Shibosuke - Shibboleth-Schedule

Overview

Shibosuke is a scheduling service designed for researchers and students.

Operation Procedure

① Access the service (SP) provided by the academic authentication federation.

Shibosuke Login Link (Japanese only):

https://shibosuke.net/shibosuke/

② Select "Sophia University" from the list of institutions or enter it directly.

③ The Integrated Authentication System login screen will appear. Enter your ID and Sophia ICT account password. After entering them, you will be redirected to the consent screen. Select the required items and click [同意 (Agree)].

④ Once you have logged in, you can start using the service.

For detailed instructions on how to use the service, please contact the respective service provider.
